

1. Regular "B" Day Schedule TODAY!

- Wednesday Morning Fellowship will meet **THIS MORNING** at 7:15 a.m. in the Aerobics Room. Come and enjoy donuts, juice, games, and a short talk from Rev. Reverend Linc

2. Lovett is competing against 29 other Independent Schools in the Southeast (including Westminster, Pace, Woodward, Holy Innocents, and Marist) to see which school can reduce its electricity usage the most by the end of February. The contest began this past Monday, January 26. Please support this effort by following these energy saving tips:

- *Turn off classroom and office lights whenever you leave the room (even for brief periods of time).*
- *Put computers in sleep mode when they are not in use; turn them off at night and over the weekend.*
- *Turn off desk lamps, floor lamps and space heaters whenever you leave the room.*
- *Unplug phone chargers and laptop chargers at the end of the day; they draw current when plugged in, even if they are not charging equipment.*
- *Put copy machines in sleep mode or turn them off at the end of the day.*
- *If you know of other reasonable ways to save electricity, please do so.*

Thank you for your help. Let's all pitch in, support our student Green Cup Team, and win the Green Cup!

Dr. Dunkel and Mr. Temple

3. Green Corner-Updates on Environmental Sustainability at Lovett!

Do you know why we are trayless in the Dining Hall?

- 1,150 gallons of water per day are saved by being trayless!
- Being trayless saves resources by reducing water usage and resources to heat water for washing the trays; using less chemicals for cleaning; and cutting down on waste. People tend to take only the food they will eat if they are carrying each plate.

4. ADVISORY LUNCHROOM DUTY for THIS Week: Mr. J. Williams', Ms. Sterne's, and Mr. Bagwell's Advisory Groups
